

CONTROL

POUCH 478

SECRET

1 August 1945

TO: Saint, Washington
FROM: Saint, London (German Section)
SUBJECT: Miscellaneous Reports

1. Enclosed are copies of draft reports forwarded to this office from the Third Army Interrogation Center, as follows:

- a. Introduction to Egmont Reports
- b. Annotations to Egmont Reports
- c. Introduction to Egmont Berichte (Control)
- d. The World Situation in March 1945
- e. Egmont Berichte (Control)
- f. Miscellaneous notes on the activities of the Japanese Intelligence Service in Europe.
- g. List of plans for post-war activities in Spain.
- h. A character sketch of SCHULLENBERG.

2. The Egmont Reports are of particular interest, in view of WIRTSCHAFT's close connection to SCHULLENBERG. The "Annotations" apparently refer to individual Egmont Reports which have so far not been made available to us.

3. It is expected that final copies of these reports will be available shortly from Third Army Interrogation Center. The War Room has already received copies of the draft reports.
